FEEDBACK FROM TEACHERS

In the meeting conducted by the IQAC of the college the respondents' feedback was discussed in details. After discussion on all criteria the IQAC recommended the following actions:

Plan of Actions

1. Suggestion given to purchase sufficient number of laboratory equipment in science departments.
2. To organise sports in the college on regular basis and encourage the students' participation in the sports.
3. Proposal for purchase of books in central library of the college as well as in the departmental library
4. Proposal for arrangement of career guidance corner in the central library
5. Regular cultural programmes by the students should be organised by the departments like Seminar, debate, quiz etc.
6. NSS and NCC units of the college should organise more outreach programmes and extension activities in the upcoming session
