FROM PRINCIPAL'S DESK

DR. BHABESH PRAMANIK

The Principal is keen to take the college, Dumkal College, to the next orbit of excellence by creating the most congenial teaching learning ambience to groom the blossoming students towards developing the right set of future citizens of India.

Though Dumkal is a backward border minority dominated area in the district of Murshidabad, West Bengal, where the physical facilities are not sufficient in comparison with other colleges in different cities, we have always been endeavouring to overcome the deficiencies with active dedication to and positive enthusiasm for its betterment. Almost 90 percent people in this area are of Muslim community and we feel it a challenge to inspire and facilitate the 1st generation students with proper guidance and up-to-date educational mechanism to discover their latent potentialities. What is most heartening is the increasing influx of Muslim/backward girls and we are committed to lead them to the appropriate track for a better future. Dumkal College
