-
- The Student Satisfaction Survey (SSS) for the Academic Session 2018-19 was done manually in UGC prescribed format to the students of the college and only the regular students of the BA Honours and BSc. Honours participated in the survey.
 - Total 100 students' responses were taken. amounted to 54 were from BA Honours (all subjects) and 46 were from BSc. Honours (all subjects).
 - According to the responses given by the students participated in Student Satisfaction Survey, it is found that the students are highly satisfied with the syllabus covered by the teachers, teachers' preparation for the classes, ability of teachers to communicate, teachers' teaching approaches and fairness of internal evaluation. These are the strong points of the college.
 - The result of the Student Satisfaction Survey reveals that students are fairly satisfied with the discussion on performance in assignment, institution's activities in promoting internship and student exchange, mentoring process, other opportunities to learn and grow.
 - Students are highly satisfied with the teachers' illustrations of the concept, teachers' ability to identify students' weakness and helps, encouragement to participate in extra curricular activities by the teachers. They agree with the efforts made by the institution for monitoring review and continuous quality improvements of the teaching-learning process overall quality of teaching-learning process of the college.
 - The respondents survey shows that the institution must take the challenge like effort to inculcate soft skills, life skills, employability of the students. According to the survey it is also found that the percentage of the teachers taking classes using ICT tools should be improved.
