

Field Survey of the Adopted Village Ramna Basantapur

Date: 23th April 2022

Venue: Ramna Basantapur Village

Number of Teachers Participated: 2

Number of Students Participated: 56

On 23/04/2022, the NSS unit of Dumkal College organized a comprehensive field survey in the adopted village of Ramna Basantapur. The primary goal of the survey was to assess the socio-economic and environmental conditions of the village and to identify areas for community development and intervention. This initiative aligns with the NSS unit's commitment to contributing to the welfare of the adopted village. The participating teachers were: Manas Kumar Das and Arindom Biwaswas.

Objective: The primary objective of this survey is to assess the current socio-economic and environmental conditions and identify areas where our NSS Unit can contribute effectively to community development.

Target Community: The local residents of the adjacent village (Basantapur, adopted village by the NSS Unit, Dumkal College)

Report of Activities

Inauguration and Briefing: The event began with a briefing session conducted by the NSS coordinator, Manas Kumar Das, who outlined the objectives and methodology of the survey. Dr. Bhabesh Pramanik, Principal of Dumkal College, addressed the participants, emphasizing the importance of community engagement and data-driven decision-making.

Field Visit and Data Collection: The team visited different households and community areas in Ramna Basantapur to collect data. The survey involved face-to-face interviews with villagers, observations, and recording of data on various socio-economic parameters. The participants followed a structured questionnaire to ensure consistency in data collection.

Community Interaction: In addition to data collection, the team engaged in meaningful interactions with the villagers to understand their perspectives and to build rapport. This helped in gaining deeper insights into the challenges faced by the community and their expectations from the survey.

Health and Hygiene Awareness: As part of the field survey, the NSS unit conducted a short awareness session on health and hygiene practices.

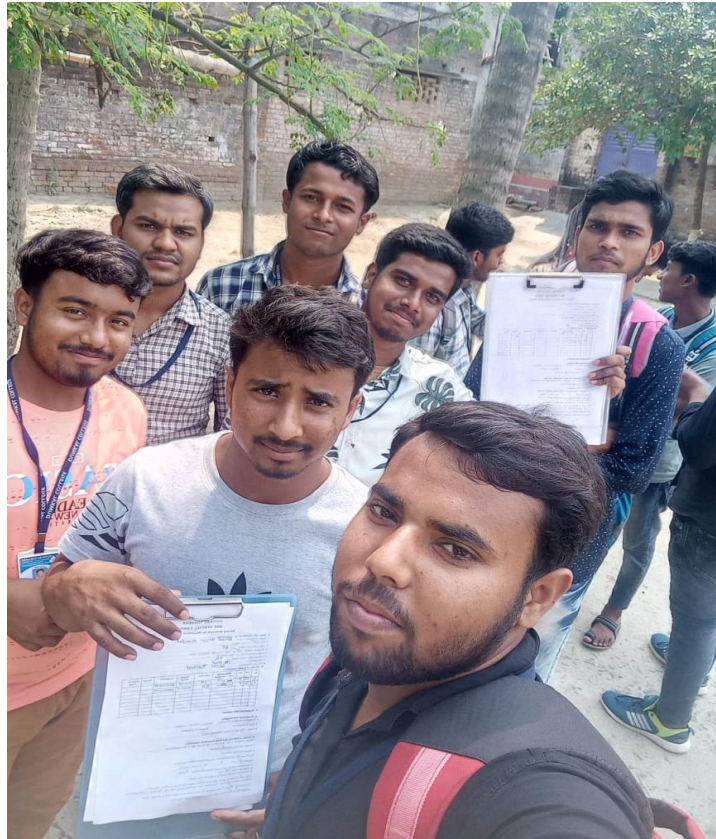

The field survey in the adopted village of Ramna Basantapur was a successful and insightful initiative by the NSS unit of Dumkal College. The event demonstrated the commitment of the NSS unit to community service and the empowerment of students through active participation in social welfare activities.
